

**** GUEST SKATE POLICY****

Only for Bronze, Silver, Gold & Adult skaters registered in a program

Reminder - If you wish to guest skate you must ...

- email the club at eastyorksc@rogers.com by 12pm of the day they wish to guest skate
- pay the \$20 guest skate fee on Uplifter BEFORE coming onto the ice
- skaters must sign in on the guest skate sheet at ice level (ask your coach for sign in sheet)

This is to ensure there is room for your skater on the session they would like to guest skate on & that they qualify to guest skate on the intended session. For safety reasons, & courtesy to members registered for sessions, only a certain number of guest skaters are allowed on the ice at a time.

Skaters will be turned away if there are too many on the ice or if they have not paid.
